5th CONGRESS OF THE
SERBIAN
ORTHOPAEDIC
TRAUMA
ASSOCIATION

Poštovane kolegice i kolege, dragi prijatelji velika mi je čast i zadovoljstvo da Vas u ime Srpske Ortopedsko Traumatološke Asocijacije (SOTA) pozovem na Peti Kongres SOTA-e koji se održava od 13. do 15. oktobra 2016. godine u Beogradu.

Od osnivanja našeg udruženja juna 2007. godine, bili smo domaćini četiri izuzetno uspešna kongresa. Organizacija petog Kongresa SOTA-e u ovim teškim vremenima još jednom ističe potrebu za postojanjem udruženja ortopedskih hirurga i traumatologa Srbije.

Ovaj kongres je rezultat dugotrajnog napornog rada i naše želje da nas okupi i usmeri ka zajedničkom cilju – uspešnijem lečenju naših pacijenata.

Nadamo se da će ovaj kongres sa međunarodnim učešćem pružiti priliku za nesebičnu razmenu i širenje novih iskustava i znanja, kreativnu diskusiju i uspostavljanje novih prijateljstava.

Kao Predsednik Srpske Ortopedsko Traumatološke Asocijacije imam prijatnu dužnost da Vam srdačno poželim dobrodošlicu na V Kongres SOTA-e, uspešan rad, puno novih poznanstava i lepog druženja u predivnom Beogradu.

Dear colleagues, dear friends, it is my great honor and pleasure to invite you on behalf of the Serbian Orthopaedic Trauma Association (SOTA) to the Fifth SOTA Congress to be held between 13 and 15 October 2016 in Belgrade.

Since the founding of our organization in June 2007, we hosted four very successful congresses. Organizing the fifth SOTA Congress in these difficult times reiterates the need for an association of orthopaedic surgeons and traumatologists of Serbia.

This congress is a result of a long and hard work and our desire to bring us together and steer us towards the common goal – a more successful treatment of our patients. We hope this congress with international participation will provide an opportunity for the selfless sharing and dissemination of new knowledge and experience, creative discussion and new friendships.

As President of the Serbian Orthopaedic Trauma Association, I have a pleasant duty to warmly welcome you to the 5th SOTA Congress and wish you success in future work, plenty of new contacts and enjoyable socializing in the beautiful Belgrade.

A handwritten signature in dark ink, appearing to read 'Marko Bumbaširević'.
